

# David Lambert - Outlaws

Tom: **D**

**D**  
I took you at your word **A**

**G**  
When you said you would steal my heart **D**

**D** **A**  
Yeah this might sound absurd

**G**  
But would you be my thief

**D**  
Take all of me

**A**  
Every part

**G** **D**  
Love love love is my crime

**A** **G**  
So baby come catch me and let's do the time

**D**  
I think we might be outlaws

**A**  
I think I might be in love

**G**  
'Cause I'm all out of reasons

**G**  
Like seasons

**Dm**  
Winter, summer, fall

**D**  
They're all washed up

**A**  
If you're still way over there

**G**  
Maybe slide on in by my side

**D**  
'Cause I'm just an outlaw

**G** **D**  
Wanted if you want me

**C**  
I love you everyday and every night

**Em** **G**  
Oh whoa

**D** **A**  
Lock me up for good

**G** **D**  
Right here in your arms

**D** **A**  
You vandalize my neighbourhood

**G**  
With your piercing eyes

**D**  
And devilish charm

**C** **F** **A** **Em**  
Love love love is my crime

**G** **D** **A**  
So baby come catch me and let's do the time

**C**  
I think we might be outlaws

**D**  
I think I might be in love

**G**  
'Cause I'm all out of reasons

**G**  
Like seasons

**D**  
Winter, summer, fall

**C**  
They're all washed up

**G** **D**  
If you're still way over there

**A** **G**  
Maybe slide on in by my side

**C**  
'Cause I'm just an outlaw

**G** **D**  
Wanted if you want me

**C** **C**  
I love you everyday and every night

**Em** **G**  
Oh whoa

**C**  
Baby we're just outlaws

**D**  
Baby I'm so in love

**G**  
'Cause I'm all out of reasons

**G**  
Like seasons

**D**  
Winter, summer, fall

**C**  
They're all washed up

**G** **D**  
If you're still way over there

**A**  
Maybe slide on in by my side

I'm just an outlaw

Wanted if you want me
