

David Lambert - Outlaws

Tom: **Db**

Db **Ab**
I took you at your word

Gb
When you said you would steal my

Db
heart

Db **Ab**
Yeah this might sound absurd,

Gb
but would you be my thief,
Take all of me

Db
Every part

Gb **Db**
Love love love is my crime.

Ab
So baby come catch me and let's

Gb
do the time.

Db
I think we might be outlaws.

Ab
I think I might be in love.

Gb
'Cause I'm all out of reasons,
Gb
like seasons,

Bbm
Winter, summer, fall
they're all washed up.

Db
If you're still way over there,

Ab
maybe slide on in by my side,

Gb
'Cause I'm just an outlaw,
Db
wanted if you want me.

Db **Ab**
I love you everyday and every night.

Db
Oh whoa

Db **Db**
Love love love is my crime.

Ab
So baby come catch me and let's

Gb
do the time.

Db
I think we might be outlaws.

Ab
I think I might be in love.

Gb
'Cause I'm all out of reasons,
Gb
like seasons,
