And everybody thinks they know you

Bm G D
Buy you don't show the real you

You got me curious

Bm G
Girl, what you're thinking?

D A
Why can't you tell me?

Bm G D A
I've realized you've got a dirty mind that nobody knows about

Bm G
What are you so afraid of

D A
Might have to climb up your walls

Bm G D
Did you think dirty of us?

If you did, then shhhhh

Bm
I know all you really wish for

G D A
It's someone to read your thoughts and get ya

Bm G
So you don't have to say it, say it

D A
You just don't wanna face it, face it (You got me curious)
