

Day6 - Zombie

tom:

C

Breathin' but I've been dyin' inside

Nothin' new and nothin' feels right

Dejavu so I close my eyes

Let the demon sing me a lullaby

C

Today's a present that I don't want

So I'm wonderin' in this world

Am I really the only one

Who's been wantin' to hide out from the Sun

And run

[Pré-Refrão]

F C

When we live a life

Am C

Always dreamin' for a dream to come true

F C

So I live this life

Dm

Wanting somethin' I can't see

Dm

And something I can't reach

F

Or somethin' that could not exist

[Refrão]

C G

I feel like I became a zombie

Am F

Not alive but I'm still walkin'

F Em

When the sunrise is upon me

Dm

I'll be waitin' for the day to pass by Oh why

C G

I became a zombie

Am F

And there's nothing that can cure me

F Em

So tomorrow I know I'll be

Dm

Just the same you'll see me

F C

Wishin? to stop and close my eyes

(C G Am F)
(F Em Dm)
