                                                                                                                                                                                                                                 ( G Em7 )
I'm entirely to blame
                                                                                                                                                                                                                                                 Bm7
                  Bm7
No, I couldn't keep you safe
                                                                                                                                                                                                                                The worst is yet to come
                                                                                                                                                                                                                                                                                                   Em7
If there's trust I will betray (sleeptalk)
                                                                                                                                                                                                                                 I play the victim, like its tradition
Sunset, sunrise
                                                                                                                                                                                                                                Now I can see that I should have left you alone
                         Em
It's better you're not mine
                                                                                                                                                                                                                                 ( G Em7 )
                 Bm7
I had everything to lose
                                                                                                                                                                                                                                                 Bm7
                                                                                                                                                                                                                                The worst is yet to come
                  Bm7
Always find a way to prove
