

Dazaranha - Garota Encantada

Tom: F

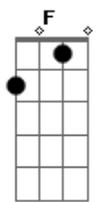

Intro: Dm F Bb A

Você que gira na vida
 E ainda consegue acreditar
 Nas estrelas que brilham
 Na grande tenda do céu universal
 Seus peitos nu , vestidos curtos

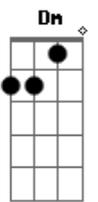

Negros de pele alva e quente

Garota encantada desingressa ao meio sonho
 Não tenho mais pressa bato o pé
 E grito quero você
 Garota encantada
 Tenho pressa de te amar
 E de fazer amor
 Intro: 3 vezes
