E I start to choke and I see the light

E Gbm11

Then I'm brought back down

E Fallen to the ground

Acordes

E Gbm11
You're killing me with your words

E
You've chewed me up and spat me out

E
And boy it really hurts

E Gbm11
To see you and him

E
Be so in love, it makes me sick

E
Leaves bruises on my skin

E Gbm11
And I can't take it anymore

E
I'll just have to leave you behind

E
And try and shut the door

E E Gbm11
Because I'm losing my will to go on
