C Am
Sometimes I think I'm stupid
Em
For letting you in
C Am
Sometimes I wear your jacket
Em
To remind me of your skin
Oh

C Am
Sometimes I think I'm dumb
Em
Kind of sick of being numb
C Am
Don't make me look at that gun
Em
'Cause life is worth living

Right?

C Am Em
And so I say, another day
C Am Em
All alone, check my phone, no-ones home
C Am Em
Maybe one day, you'll choose to stay
C Am
So I don't have to feel like this
Em
So I don't have to feel like this

C Am
Like I'm just here as safety
Em
When you need to heal, oh

C Am
It's over, yeah, I'm done
Em
I only trust the Sun
C Am
Don't make me look at that gun
Em
'Cause life is worth living

C Am Em
And so I say, live another day
C Am Em
Be alone, don't check your phone, enjoy your home
C Am Em
Maybe one day, you won't care if they stay

So you don't have to feel like this
