

Dean Martin - Everybody Loves Somebody

tom:

C

Everybody loves somebody sometime
Dm Bb G G7
 Everybody falls in love somehow
C Em Dm
 Something in your kiss just told me
G G7 C G7
 My sometime is now

C E F A
 Everybody finds somebody someplace
Dm Bb G G7
 There's no telling where love may appear
C Em Dm
 Something in my heart keeps saying
G G7 C
 My someplace is here

C C7
 If I had it in my power
F A Dm
 I'd arrange for every girl to have your charm
Am Em
 Then every minute, every hour
Dm A Dm G
 Every boy would find what I've found in your arms

C E F A
 Everybody loves somebody someti-me
Dm Bb G G7
 And although my dream was overdue
C Em Dm
 Your love made it well worth waiting
G G7 C
 For someone like you

C C7
 If I had it in my power
F A Dm
 I'd arrange for every girl to have your charm
Am Em
 Then every minute, every hour
Dm A Dm G
 Every boy would find what I've found in your arms

C E F A
 Everybody loves somebody someti-me
Dm Bb G G7
 And although my dream was overdue
C Em Dm
 Your love made it well worth waiting
