

Death Cab For Cutie - Cath

Tom: D	'Cause your heart was dying fast, and you didn't know what to do
Introdução	Cath, it seems that you live in someone else's dream In a hand-me-down wedding dress Where the things that could have been are repressed But you said your vows, and you closed the door On so many men who would have loved you more
Verso	
Refrão	And soon everybody will ask what became of you 'Cause your heart was dying fast, and you didn't know what to do
But she can't relax with his hand on the small of her back And as the flashbulbs burst She holds a smile like someone would hold a crying child	The whispers that it won't last roll up and down the pews But if their hearts were dying that fast, They'd have done the same as you And I'd have done the same as you
And soon everybody will ask what became of you
