

Death Cab For Cutie - Scientist Studies

Tom: E thought that this meant something more than broken hearts and new Tuning: Standard Intro: (Riff 1 - repeat twice): addictions. Verse 1: We'll leave our sins within the carpet twine. Our bodies will dissolve the chemicals in due time. What ghosts exist behind these attic walls? There?s got to be a simpler explanation Chorus: 'cos T Promises payments were u-pon your shoulders constantly but scrimped and I saved just to find that they've been splicing my don?t forget to entertain 'cause this is your first defense. inventions. This is your first defense. Repeat twice: Cold skin and bones and this latitude Outro: We ain't paying 'til the heat comes through This is your first defense. This was your first defense. so you slept in a stocking cap and wool scarf and This is my last defense. Chorus: Complete lyrics: What ghosts exist behind these attic walls? There's got to be a simpler explanation Promises οf payments were u-pon your shoulders 'cause I scrimped and I saved constantly but just to find that they've been splicing my inventions. Cold skin and bones and this latitude we ain't paying 'til the heat comes through. So you slept in a stocking cap and wool scarf and don?t forget to entertain 'cause this is your first defense. Promises of payments were upon your shoulders constantly Riff 1 - repeat twice: but don't forget to entertain 'cause this is your first defense. Four year offense to the devoted type Verse 2: I may have got an invitation but I wasn't invited. But I thought that this meant something more than broken hearts and new addictions. We'll leave our sins within the carpet twine. Four year offense to the devoted type Our bodies will dissolve the chemicals in due time. Promises of payments were upon your shoulders constantly I may have got an invitation but I wasn't invited. but don't forget to entertain

But I

'cause this is your first defense. This is your first defense.

This is your first defense. This was your first defense. This is my last defense.
