B D Db A  
On Two bicycles  
On a hillside desolate  
Could nature make a man of me yet ?  
Under this charming calm  
This charming man  
Why ponder life's complexities  
When the leather runs smooth  
On the passenger seat ?

I would go out tonight  
But I haven't got a stitch to wear  
This man said it's crucial  
Db

That someone so handsome should care  
Ah ! I'm just a country boy  
Who never knew his place  
He said return the ring  
He knows so much about these things  
He knows so much about these things  
I would go out tonight  
But I haven't got a stitch to wear  
This man said it's crucial  
That someone so handsome should care  
La, la-la, la-la, la-la, this charming man ...  
La, la-la, la-la, la-la, this charming man ...  
Ah ! I'm just a country boy  
Who never knew his place  
He said return the ring  
He knows so much about these things  
He knows so much about these things
