

December 10 - Run My Way

tom: **F** [Intro] **F**

I don't know what went wrong **F**

You got your headphones on **Bb7M**

Sitting right across from me

Lip-syncing to Short n' Sweet **F**

I noticed he's not there

I see a track of tears **Bb7M**

Slowly falling down your cheeks

Beautiful as you can be

C But you don't need somebody in your life, yeah **Gm**

Who won't shine a light **(F)**

F I come around 'cause I'm looking for you **C**

Shooting a shot, I got nothing to lose, so **Gm**

Let him go-oh **Bb**

And baby you can run my way **F**

Someone like you should be walking on air **C**

D-d-d-dancing and flipping your hair **Gm** **Bb**

So, let him go-oh, oh

And run my way **(F)**

F The movie in my head **C**

Is starring us instead **Gm**

I'm taking you where you've never been **Bb**

And you can be yourself again **F**

See, I don't know what happened **C**

To that girl who was always laughing

Gm Like Chalamet, I'll play the lead **Bb**

I know you're not mine **C**

But now I'm thinking you should be

'Cause you deserve somebody in your life yeah **Gm**

Who'll turn on a light

F I come around 'cause I'm looking for you **C**

Shooting a shot, I got nothing to lose, so **Gm**

Let him go-oh **Bb**

And baby you can run my way **F**

Someone like you should be walking on air **C**

D-d-d-dancing and flipping your hair **Gm** **Bb**

So, let him go-oh, oh

And run my way **(F)**

Gm 'Cause you deserve somebody in your life, yeah **F**

'Cause you deserve somebody in your life, yeah **C** **Gm**

Who'll turn on a light, yeah

You deserve somebody in your life, yeah **Bb**

Who'll turn on a light

F I come around 'cause I'm looking for you **C**

Shooting a shot, I got nothing to lose, so **Gm**
