

Declan J. Donovan - Numb

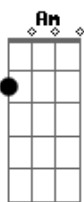

tom:

You found me
Drowning in the dark
Waiting for the rain to stop

To light this burning heart
G F
But you can't start a fire without its burn
G Am F
Everything you give i want
G
But i always take too much
Am F
Everything you need i'm not
Cause i'll always be loveless
C Em
I'm sorry i can't give enough
Am
These scars they only leave me numb
F
I'm paying for my own mistakes
C
I've given all my feelings away
Em
Everytime you hold me close
Am
I feel you're trying to save a broken soul
F
I wish that there was more to say
