

# Declan Mckenna - In Blue

Intro: **C** **Am** tom:

[Primeira Parte]

**Em** **Am** **E**  
I made a wrong turn, in blue  
**F** **G** **C**  
How the rain kept me inside?  
**Em** **Am** **E**  
I built a house from sticks and twine  
**F** **G** **C**  
And you said it would serve me fine  
**Em** **Am** **E** **F**  
But then the rain could soak me through

[Refrão]

**F** **G** **Am**  
And when she lies, she says you're lying too  
**G** **C** **F**  
In blue

[Segunda Parte]

**C** **Em** **Am** **E**  
Like how you told me then to go ahead and try it  
**F** **G** **C**  
Anything to keep me quiet  
**Em** **Am** **E** **F**  
I caught the mirror head on as I grew

[Refrão]

**F** **G** **Am**  
And when she smiles, she knows I'm happy too  
**G** **C**  
In blue  
**F** **G** **Am**  
And when she smiles, I know I'm happy too  
**G** **Am** **G** **C**  
In blue, in blue  
**G** **Am** **D**  
I caught a glimpse of it, your brilliance  
**F** **G** **C**  
All too much and all too clever  
**Em** **Am** **D**

I caught a fever like I always do  
**F** **G** **C**  
And still you let me stand with you, in blue

[Terceira Parte]

**F** **G**  
All for show and no purpose  
**C** **Em** **Am** **E**  
I bet next year I'll see you all the time  
**F**  
The fault is all deserved as mine  
**F** **G**  
The fault is all deserved as mine

[Ponte]

**C** **Em** **Am** **E**  
And I wake up inside a matchstick house  
**Dm** **C**  
Was it all on purpose?

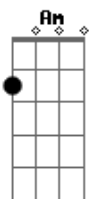

Was this true?

**C** **G**  
Oh, and I've been waiting  
**Am** **E**  
Quiet as a mouse  
**F** **C** **G**  
Tell me and be honest, was this you?  
**F**  
'Cause when I talk I'm not so boring  
**F**  
Will I catch you sleepy, snoring?  
**F** **G** **Am**  
When you're out of luck, will I be too?

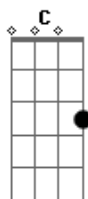

[Refrão]

**G** **C**  
In blue  
**F** **G** **Am**  
And when you're out of luck, I will be too  
**G** **Am** **G** **C**  
In blue, in blue  
( **G** **Am** **E** **F** **Fm** )  
( **C** **Em** **Am** **E** **F** **Fm** **C** )
