

Deep East Music - Drifting From It All

tom:

Em C
You waste no time
G D
Can I waste yours?
Em C
Please share some light
G D
Or open the door

Em C G D
He says: come back and make me yours
Em C
I know just how we had
G D
Both been here before
Em C
Slowly the start of it all
G D

And I'm already broke
Em C
Drifting apart from it all
G D
I need You to know

Em C
Sometimes rain falls
G D
And sometimes it pours
Em C
But We know just how to be
G D
Both been here before
Em C
Slowly the start of it all
G D
And I'm already broke
Em C
Drifting apart from it all
G D
I need You to know
