

Deep Purple - All The Time In The World

Tom: C
Intro: C Bm A Dm C Bm

Bm
There's still a long way to go
G Bm
And the nights are closing in
But if I travelled any faster babe
G A
Lord knows where I might have been

Bm
Right from those early days
G Bm
I put my faith in the axle not the wheels
Like old Zeno's toytus
G D
With Achilles snapping at my heels
(Em C G)

D C G
Don't worry
D
There's no hurry
C G
Here we are
Bm A Em
With all the time in the world

Bm
I could have been a high-flying dealer
G Bm
But I have no desire for speed
I could have been a wild receiver
G A
But I've got everything I need

Bm
And so I watch the world
G Bm
Go racing by tearing up the street
I lay back in the long grass
G D
Take it easy and rest my feet
(Em C G)

D C
Don't worry
G D
You know, there's no hurry

C G
Here we are
Bm A Em
With all the time in the world

As everybody knows

I may be slow but I never quit
Sometimes on a good day I sit and think
G D
Sometimes I just sit

(Em C G)

Don't worry

Relax, there's no hurry

Here we are
