Tom: **G**

Intro: **G**

G
Ooh what a night it was, the night I fell apart
G
I begged a lover not to go away but she went and broke my heart
G
I found myself in a Vegas bar with a whole new set of friends
G
Seen through the bottom of an empty glass
G **Eb D Db C**
Like looking through a fisheye lens
G
One night in Vegas

G
It was a morning of revenge for what I did the night before
G
Which accompanied me to the following day to even up the score
G
In a stone cold sober mood next afternoon at ten
G
I found my tongue back in my mouth
G **Eb D Db C**
And I told myself not to drink again
G
One night in Vegas

(**Eb D F E A**)

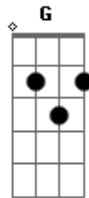

Em **C D Em**
I was three sheets to the wind

Em **C D Em**
The three shots did me in
Bm
Three angels there above me
G **A** **Bm**
As I was lying on the floor
Bm
I knew I should have run for the hills
C **G** **D**
But I still wanted more

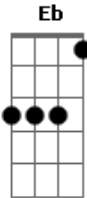

G
I don't remember the chapel but I woke up with a wife
G
I looked at her, she looked at me and now we're hooked for life

How strange the situation, it's now been thirty years

Since I met that girl in Vegas
G **Eb D Db C**
And would you believe it, she's still here

One night in Vegas
