

Deepmoon - Dreams

Tom: **A**
m

Some nights i see you crossing my dreams
C So real that i get to feel your skin
Dm There's no way
Am Not today

Am Like a shadow you live in my mind
C Follow all my steps silently by side
Dm I need to sleep
Am G Soundly

F So i imagine you flying, flying, flying
G White angel at night, night, night
F I touch your soft skin, skin, skin
G It cannot be a dream, dream, dream
Am At night
(**Am**)

Am At first i was a little afraid
C i just thought i'd wake up late **E**

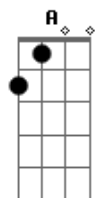

Dm The night is fake
Am Your dreams break

Am I started having fun with you
C as in a spell we knew what to do **E**
Dm I close my eyes
Am G And fantasize

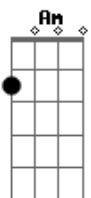

F So i imagine you flying, flying, flying
G White angel at night, night, night
F I touch your soft skin, skin, skin
G It cannot be a dream, dream, dream
Am At night

F So i imagine you flying, (flying, flying)
G White angel at night, (night, night)
F I touch your soft skin, (skin, skin)
G It cannot be a dream, (dream, dream)
F So i imagine you flying, (flying, flying)
G White angel at night, (night, night)
Am Its a dream
