

# Deer Tick - Goodbye Dear Friend

Tom: **F**  
Intro: **F G**

**F**  
Some roads that you take  
Some bonds will choose to break  
I swore I'd no long be the pallbearer **A**

**F**  
But I carried you to bed  
So you could rest your head

You were taking off a load, heavy drinking **A**

**F**  
The world it carries on  
Your memories and song

And your pictures on my wall are not forgotten **A**

**F**  
There was hymns that came from mouths  
That turned crosses upside down

But it came through their teeth with great ease **A**

**Bb** **F**  
And all are bobbing heads in sync

**Bb** **C**  
And all have got a lot on their minds to think about

**F** **Bb**  
But you carry on in pictures in song

**F**  
And the unmade be you slept in

Where I **C** laid you down to rest one last time

**Bb** **F** **Bb** **F**  
Goodbye, dear friend, goodbye, dear friend

**F**  
Some stories break your heart

And some with such applaud

Buried deep inside, where it's ok to cry **A**

**F**  
Some boy's won't shed a tear

Oh, but a tale like this here

It can break down and get me where it hurts the most **A**

**Bb** **F**  
And all are bobbing heads in sync

**Bb** **C**  
And all have got a lot on their minds to think about

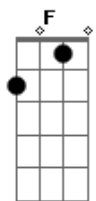

**F** **Bb**  
But you carry on in pictures in song

**F**  
And the unmade be you slept in

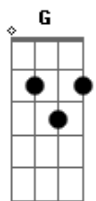

Where I **C** laid you down to rest one last time

**Bb** **F** **Bb** **F**  
Goodbye, dear friend, goodbye, dear friend
