Live Acoustic intro to "Bringin' On The Heartbreak"

From: Home Video "Live In your Face In the Round"

Tab by: Steven Greencorn

This part I am really not sure of; Phil does some kind of sliding

thing using his pick. Lots of muting on the strings. ?

Here's how I do it:

Also, I am not sure of the chords Steve plays on the 12-string

/ = Slide up

\ = Slide down

v = Vibrato

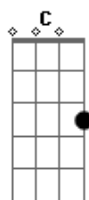

h = Hammer on/off

' = fast picking

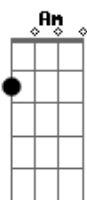

End on an **A** note
