

## **Def Leppard - Pour Some Sugar On Me Solo**

Tom: G -----| Alright here is a great solo by Steve Clark from the Hysteria Album.I noticed that in the other versions, the solo didn't sound quite right, but in I-----this version it does sound ----2--2-| right. I may of forgot some of the (11-12) parts but add them in as you like. This is to  $\,$ 11-12/--2--2-| me about 80% accurate to me but it sounds awesome. ENJOY I----------I-----i T-----I-7----7--I-7-----T--| (DO THIS BEFORE SOLO WITH THE VOLUME TRICK) There you have it enjoy and if you got any comments, questions (PLAY THE 11-12 PART WITH A SLIGHT PALM MUTE ) or you see ----- any mistakes e-mail me at I----------|
