

Deftones - 7 words

Tom: **A**

Riff 1

Riff do Refrão

Fill 1

Riff 3

I'll never be the same breakin' decency
Don't be tree trunk don't fall on my leg roots(?)
I've been hunting too many words-got a weak self esteem
That's pissed off the way from every single tree(?)
But there's something else that brought us feece(?)
Keep it all inside until we feel we can unleash
I think that you made it up I think that your mind is gone
I think that you should be glorified now you're god(?)!

Suck! Your fuckin money-Suck! Suck it bitch!

I'm here alone face flat along at the edge of the glass
But I'm not here to preach I'm just sick of the racial(?)
My parents knew me strong to let go of that glass
So why should I try I clack like I'm low as hell(?)
Before that shit that needs to stay back in the shelves
Your punk-ass made it up and your fuckin' mind is gone
You shouldn't never been glorified now you're god(?)!

Suck! Your fuckin money-Suck! Suck bitch!

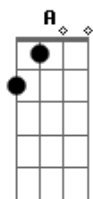

You don't know me-Shut up you don't know me
Squeal like a pig when you break fuckin break fuckin neck(?)
Well I'll tell you bout my balls scratch what's coming back
jack we'll
turn back
Girls(?) for any words whether not your fuckin I'm makin' no
sense what
coming is the jubilla(?) I'm really stoppin' naughty(?) an'
most anybody
so thinkin of me by now but yer the rabbit and I can't think
for who I am
n' shit I below where'll it be
'Cause we cannot give back those lives

We exist two thing understand
Lot hates black sheeps an' all the purge
Mr P I **G** could I fuckin see
Show **ID** don't crushed all my bothers yeah ya do
And to the jury can't be no turners on my skin this color
Does that mean I'm burned
Cause your punk-ass made it up and your fuckin' mind was gone
Shouldn't never glorified god(?)!

Suck! Your fuckin money-Suck! Fuck you bitch! Fuck.

This is a bad-ass song! I transcribed the lyrics cause I liked
the song
so much. This song is easier to play in EADGbe but their is
that one note
in Riff 3 that required Dropped D. I dunno maybe they
downtune during the
"Shut up you don't know me ..." part. Ah well, have fun.
