

Delaney Bailey - I Dont Need You To Survive

tom:
B

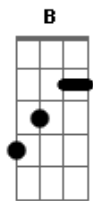

And now I hate all the songs I wrote about you
Not that they're bad
Just that they're true
B
I gave you the time of day and

All my nights
Gb Abm
You don't deserve the songs I wrote
Gb
But it's alright

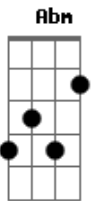

[Chorus]
B
'Cause you're out of sight

Out of mind
Abm Gb
The only you that exists is the one that I left behind
B
You've really blown it this time
Abm Gb
'Cause all I remember of you is the me that turned out just fine
B
I don't need you to survive
