

Delce Rosa - Bipolar e Nua

tom:

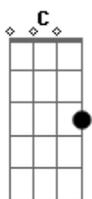

C

Cidade nova eu percorro as tuas ruas tortas
 Nas esquinas mortas desenhamos o menor amor
 Lua nova, ilumina a minha noite triste
 Farois ristes, amenizam meu temor
 Não te quero minha, eu te quero tua
 Irritantemente linda, pudorosamente nua
 Não te quero minha, eu te quero tua
 Cruelmente bela, bipolar e nua
 Não posso te dar o que os outros te fazem sentir

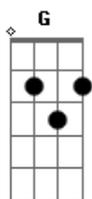

Pois, só tu tens a chave

0 que eu tenho pra te oferecer é paixão delicada com vistas pro
 Mar ao amanhecer
 Isto não tem valor o que queres é um amor rude
 Tuas falas, teus fatos, teus atos, eu Yukatan
 Vien fer lamour avec moi, vien
 0 tempo me doi, me corroi e você ainda tem um dia inteiro pra
 Brincar
 Te quero
 Agora somente pra fazer sexo
