

Delce Rosa - Fantasmas Não Existem

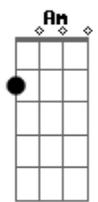

tom:

Am

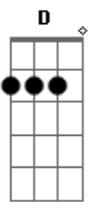

Ando em uma praia estranha, Uma angustia me consome
 Embalado pelo marulhar das ondas, O Vento assovia teu nome
 Meus pés afundam na areia, em meu semblante ninguém percebia
 O emaranhado de emoções, amor
 Com a pressa de teus pés na areia fria
 Estas fugindo de mim, minha alma chora

Quero me acreditar errada, que estarias indo embora
 A bruma esconde o teu rosto, tua pegada some
 Segues sem me perceber, amor, e o Vento assovia teu nome
 Marcado com o fogo em minha pele, a dor me dói demais
 Emfim acordei, foi apenas um sonho ruim
 Estas ao meu lado, dormindo tranqüilo
 Es o meu destino, os sonhos persistem
 Serei sempre tua, fantasmas não existem
