

Delta Sleep - Spy Dolphin

Intro: F7M G F7M Am Am F Am G F Day dreams of summer trees, and your hair in the breeze Am Witness the life in the tall grass, let's do this more often G The ground shakes, as I awake, under rocks on the sea floor where our house laid Am7 Am Where just a few days ago I made you breakfast in bed But the house caved into the ground when the ocean swallowed it down to the bottom Am7 Am The tank's running out of oxygen F I have been rendered to shark feed G F Am Am7 Am Am7 No help in sight, but sharp teeth and an appetite I see their eyes surround me (Am F Am) F Am F7M F A Stayed at home for wayyy too long Ab Am7 Am F7M A F C G Now I'm destined for the deep blue sea F C G Am7 No help in sight Am Am7 F C G Big appetites Am7 F C G I'll be fine

For one more night (Dm Am C F) Wait until the coast is clear, you can float your way to the surface, to the surface Keep a wary eye well fixated on the distance or you'll end your days counting hours in the bottom (F Dm Am C) C Dm Am Wait until the coast is clear, you can float your way to the surface, to the surface F Dm Am C Keep a wary eye well fixated on the distance or you'll end your days counting hours in the bottom of the sea counting hours in the bottom of the (Dm Am C G F) C G Wait until the coast is clear, you can float your way to surface where you'll end your days with purpose F Dm Am Keep a wary eye well fixated on the distance, you'll be on you're way out
