Walls came down
Where did they go? I didn't notice
When they fell, I fell for you
           D
{\tt Smitten} \ {\tt and} \ {\tt hopelessly}
Lost in this feeling, maybe I'm healing
Couldn't be scared if I tried
'Cause nothing's ever felt this right
 I can't hold back, I'm falling in love
 It's been right on the tip of my tongue
              D
 So here I go speaking honestly
I think this is forever for me
When we're alone
Time floats away, we stare at each other
Take me home
I can't wait to hug and thank your mother
Here's what I'd say: He's beautifully made
I can't wait to show you, you'll see
I promise his heart's safe with me
 I can't hold back, I'm falling in love
