Intro: **G Bm C D**

**G** **D**  
I was walking home from school  
**Em** **C**  
On a cold winter day  
**G** **Em** **C** **D**  
Took a shortcut through the woods, and I lost my way  
**G** **D** **Em** **C**  
It was getting late, and I was scared and alone  
**G** **Em** **C**  
But then a precious baby boy took my hand  
**D**  
And led me home  
**C** **Bm** **C** **D**  
Mama couldn't see him, oh but he was standing there  
**C** **Bm**  
And I knew in my heart  
**C** **D**  
He was the answer to my prayers

**G** **Em** **Am** **D**  
Oh I believe there are angels among us  
**G** **Em** **C** **D**  
Sent down to us from somewhere up above  
**G** **Em** **C** **D**  
They come to you and me in our darkest hours  
**C** **Bm** **C** **D**  
To show us how to live, to teach us how to give  
**C** **D** **D7** **G Bm C D**  
To guide us with the light of love

**G** **D**  
When life held troubled times  
**Em** **C**  
And had me down on my knees  
**G** **Em**  
There's always been someone  
**C** **D**  
To come along and comfort me

**G** **D**  
A kind word from a stranger  
**Em** **C**  
To lend a helping hand  
**G** **Em** **C** **D**  
A phone call from a friend, just to say I understand  
**C** **Bm** **C** **D**  
And ain't it kind of funny that at the dark end of the road  
**C** **Bm**  
Someone lights the way  
**C** **D**  
With just a single ray of hope

**G** **Em** **Am** **D**  
Oh I believe there are angels among us  
**G** **Em** **C** **D**  
Sent down to us from somewhere up above  
**G** **Em** **C** **D**  
They come to you and me in our darkest hours  
**C** **Bm** **C** **D**  
To show us how to live, to teach us how to give  
**C** **D** **D7**  
To guide us with the light of love

**C** **Bm**  
They wear so many faces  
**C** **Em**  
Show up in the strangest places  
**C** **Bm**  
To grace us with their mercy  
**Am** **D**  
In our time of need

**G** **Em** **Am** **D**  
Oh I believe there are angels among us  
**G** **Em** **C** **D**  
Sent down to us from somewhere up above  
**G** **Em** **C** **D**  
They come to you and me in our darkest hours  
**C** **Bm** **C** **D**  
To show us how to live, to teach us how to give  
**C** **D** **D7** **G Bm C D G**  
To guide us with the light of love
