                                                              You're my daydream
Yea
                                                              Interlude: C G Am F G
C-G Am
                   F-G
 Lalala-a (lalala-a)
                                                              Verse 2:
Verse 1:
                                                                If I tell you what I'm thinking
                                                              G
С
 I coulda been the one you noticed
                                                                If I let myself trust you
G
                                                              Am
 I coulda been all over you
                                                                Can you give me what I'm missing
                                                              F
Am
 I coulda been like all the others
                                                               Can you make my dreams come true
                    G
 Is that what I'm supposed to do?
                                                              (Repeat Refrain)
                                                              (Repeat Chorus)
Modified Lyrics:
                                                              Interlude: Dm F C G(2x)
С
 I don't wanna be disappointed
G
                                                              Bridge: Modified also
 and I don't want to have to prove
                                                                   F C
                                                              Dm
                                                               I've always wanted someone
How I really feel about you
                                                              Dm F
                                                                           C
                                                                                   G
                                                                 I've been waiting so long
F C G
 But would you even have a clue
                                                              Dm F
                                                                 Could you be that someone
Refrain:
                                                                 Dm
                                                                       F
                                                              Are you my are you
 Dm
I try to be sensetive I try to F
                                                                         G
                                                              my your my your my-yy
be tough I try to walk away
 Dm
                                                              Interlude: Am F C G (2x)
I try to be innocent I try to
                                                              Outro:
be rough but I just wanna play
                                                                      Am
                                                              And you know, and you know, and you know, and you know
Chorus:
                                                                    С
                                                                                G
        Am F
                                                              You're making me insane
                       C
You're my day-dream you know that
                                                                      Am
                                                                                                 E
                                                              And you know, and you know, and you know, and you know
         G
I've been thinking about you
                                                                              G
                                                                     С
                                                              You're doing it again
Am F C
                        G
 late-ly And everytime I look at you
                                                              (Repeat Outro)
