

Demi Lovato - Happy Ending

tom:
[Primeira Parte]

I met God
Just for a minute
Sat in his house
Took a look around
And saw I didn't fit in

[Segunda Parte]

I tried love
Gave me something to believe in
Planning futures from the start
Giving pieces of my heart
Just to end up leaving

[Pré-Refrão]

I gonna die trying to find my happy ending?
And will I ever know what it's like
To be fine without pretending

[Refrão]

That my skin isn't crawling
My demons aren't calling and tearing me to shreds?
I gonna die trying to find my happy ending?

[Terceira Parte]

I got high
You name it, I've tried it
Sure, I'm sober now

And everybody's proud
But I miss my vices

[Quarta Parte]

And I tried to be your hero
I lent you my voice
I was your poster child
It was working for a while
But it didn't fill the void

[Pré-Refrão]

I gonna die trying to find my happy ending?
And will I ever know what it's like
To be fine without pretending

[Refrão]

That my skin isn't crawling
My demons aren't calling and tearing me to shreds?
I gonna die trying to find my happy
Find my happy ending?

[Final]

Whoa, whoa, whoa
Whoa, whoa, whoa
Whoa, whoa, whoa
Find my happy ending
Whoa, whoa, whoa
Whoa, whoa, whoa
Whoa, whoa, whoa
Trying to find my happy ending
