He-ey yeah
I hate you, don't leave me
I feel like, I can't breathe
                                                                                                                                                                                                                                                                                         Before you run away

Just hold me
Don't touch me
And I want you, to love me
But I need you, to trust me
                                                                                                                                                                                                                                                                                                                                                                                     G

I'm pieces, you complete me
                                                                                                                                                                                                                                                                                          Just hear me out
                                                                                                                                                                                                                                                                                         Before you run away
But I can't back down
No I can't deny that I'm
                                                                                                                                                                                                                                                                                          Cause I can't take this pain...
staying now cause I can't decide
Confused and scared
                                                                                                                                                                                                                                                                                             C G D Em
I'm terrified of you
                                                                                                                                                                                                                                                                                         No I can't take this pain...
                                                                                                                                                                                                                                                                                         [tab]
