

Demi Lovato - Let It Go

Tom: G

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn my back and slam the door
The snow blows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation, and it looks like I'm the queen
The wind is howling
Like the swirling storm inside
Couldn't keep it in
Heaven knows I've tried
Don't let them in, don't let them see
Be the good girl you always had to be
Conceal, don't feel, don't let them know
Well, now they know
Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn my back and slam the door
And here I stand
And here I'll stay
Let it go, let it go
The cold never bothered me anyway
It's funny how some distance
Makes everything seem small

Em
And the fears that once controlled me
Can't get to me at all
Up here in the cold thin air, I finally can breathe
I know I left a life behind
But I'm too relieved to grieve
Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn my back and slam the door
And here I stand
And here I'll stay
Let it go, let it go
The cold never bothered me anyway
Standing, frozen, in the life I've chosen
You won't find me, the past is so behind me
Buried in the snow
Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn my back and slam the door
And here I stand
And here I'll stay
Let it go, let it go
The cold never bothered me anyway
Let it go
And here I'll stay
Let it go
