The snow blows white on the mountain tonight

The wind is howling like the swirling storm inside
Em **D** **A**
Couldn't keep it in, heaven knows I tried

Pre-Chorus

Don't let them in, don't let them see

Be the good girl you always had to be

Conceal, don't feel, don't let them know

It's funny how some distance

Makes everything seem small

And the fears that once controlled me

Can't get to me at all

Up here in the cold thin air

I finally can breathe

I know I left a life behind but I'm to relieved to grieve
