

Demi Lovato - Made In The Usa

Tom: G

Our love runs deep like a chevy
If you fall I'll fall with you baby
Cause that's the way we like to do it
That's the way we like
You run around open doors like a gentleman
Tell me girl every day of my everything
Cause that's the way you like to do it
That's the way you like
Just a little west coast, and a bit of sunshine
Hair blowing in the wind, losing time to time
Just you and I, just you and I Woah, woah

Refrão:

No matter how far we go, I want the whole world to know
I want you back, and I wont have it any other way
No matter what the people say,
I know that we'll never break
Cause our love was made, made in the USA
Made in the USA, yeah

You always reading my mind like a letter
When I'm cold, you're there like a sweater
Cause that's the way we like to do it
That's the way we like
And never ever let the world get the best of you
Every night we're apart, I'm so next to you

Cause that's the way i like to do it
That's the way i like
We touch down on the east coast, dinner in the sky rise
Winter is the best time for walking in the city lights
You and I, you and I woah woah

Refrão:

No matter how far we go, I want the whole world to know
I want you back, and I wont have it any other way
No matter what the people say,
I know that we'll never break
Cause our love was, made in the USA
Cause baby I'll break the bullet
And take the blow for love
whoa whoa, our love was made in the USA
Made in the USA,
made in the USA
No matter how far we go, I want the whole world to know
I want you back, and I wont have it any other way
No matter what the people say,
I know that we'll never break
Cause our love was made, made in the USA
Made in the USA, yeah
Made In The US...
Made In The US...
Made In The USA...
