

# Demi Lovato - Made In The Usa

Tom: G

Our love runs deep like a chevy  
If you fall I'll fall with you baby  
Cause that's the way we like to do it  
That's the way we like  
You run around open doors like a gentleman  
Tell me girl every day of my everything  
Cause that's the way you like to do it  
That's the way you like  
Just a little west coast, and a bit of sunshine  
Hair blowing in the wind, losing time to time  
Just you and I, just you and I Woah, woah

Refrão:

No matter how far we go, I want the whole world to know  
I want you back, and I wont have it any other way  
No matter what the people say,  
I know that we'll never break  
Cause our love was made, made in the USA  
Made in the USA, yea

You always reading my mind like a letter  
When I'm cold, you're there like a sweater  
Cause that's the way we like to do it  
That's the way we like  
And never ever let the world get the best of you

Every night we're apart, I'm so next to you  
Cause that's the way i like to do it  
That's the way i like  
We touch down on the east coast, dinner in the sky rise  
Winter is the best time for walking in the city lights  
You and I, you and I woah woah

Refrão:

No matter how far we go, I want the whole world to know  
I want you bad, and I wont have it any other way  
No matter what the people say,  
I know that we'll never break  
Cause our love was, made in the USA  
Cause baby I'll break the bullet  
And take the blow for love  
ohwhoah, our love was made in the USA  
Made in the USA,  
made in the USA  
No matter how far we go, I want the whole world to know  
I want you bad, and I wont have it any other way  
No matter what the people say,  
I know that we'll never break  
Cause our love was made, made in the USA  
Made in the USA, yeah
