

Demi Lovato - My Love Is Like a Star

Tom: **F**
Intro: **F Dm C Bb Bbm**

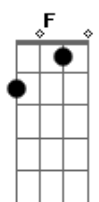

F
The space in between us
Starts to feel like the worlds apart **Dm**
Like I'm going crazy **C**
And you say it's raining in your heart **Bb Bbm**
F
You're telling me nobody's there
To dry up the flood **Dm**
Oh but that's just crazy **C**
Cause baby I told ya I'm here for good **Bb Bbm**

Refrão:
F
My love is like a star, yeah
You can't always see me **Dm**
But you know that I'm always there
C
When you still unshining
Take it as mine **Bb**
And remember I'm always near **Bbm**
F
If you see a comet
Baby I'm on it **Dm**
Making my way back home
C
Just follow the glow yeah
It won't be long **Bb**
Just know that you're not alone **Bbm**

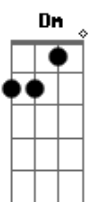

F
I tried to build the walls
To keep you safe when I'm not around **Dm**
But as soon as I'm away from you **C**
You say they come tumbling down **Bb Bbm**
But it's not about the time **F**
That we don't get to spend together **Dm**
It's about how strong our love is **C**
When I'm gone and it feels like forever **Bb Bbm**

Refrão:
F
My love is like a star, yeah
You can't always see me **Dm**
But you know that I'm always there
C
When you still unshining
Take it as mine **Bb**
And remember I'm always near **Bbm**
F
If you see a comet
Baby I'm on it **Dm**
Making my way back home
C
Just follow the glow yeah
It won't be long **Bb**
Just know that you're not alone **Bbm**
You say that time away makes your heart grow up **Dm A**
But I can stay just to prove you wrong **C**
Oh look at how far we've come **Bb**
Don't you know
Don't know that you're the one **Bbm Bb**
(Solo)
(**F Dm C Bb Bbm**) (2x)
