

Demi Lovato - Nightingale

```
Tom: A
I can't sleep tonight, wide awake and so confused
Eveything is in line, but I am bruised
I need a voice to echo, I need a light to take me home
I kinda need a hero, is it you?
             Gbm
I never see the forest for the trees, I could really use your
melody
Baby I'm a little blind, I think it's time for you to find me
                         D E Gbm
Can you be my Nightingale, sing to me I know you're there
                     Gbm
You could be my sanity, bring me peace, sing me to sleep
         Gbm D
Say you'll be my Nightingale
Somebody speak to me, cause im feeling like hell
Need you to answer me, I'm overwhelmed
I need a voice to echo, I need a light to take me home
I need a star to follow, I dont know
