

Demi Lovato - Nightingale

Tom: A

I can't sleep tonight, wide awake and so confused
 Everything's in line, but i am bruised
 I need a voice to echo, i need a light to take me Home
 I kinda need a hero, is it you?
 I never see the forest for the trees, i could
 Really use your melody
 Baby i'm a little blind, i think it's time for you
 To find me
 Can you be my nightingale, sing to me i know
 You're there.
 You could be my sanity, bring me peace, sing me to
 Sleep
 Say you'll be my nightingale
 (D E Gbm E D E)
 Somebody speak to me, cause im feeling like hell
 Need you to answer me, i'm overwhelmed
 I need a voice to echo, i need a light to take me Home
 I need a star to follow, i dont know
 I never see the forest for the trees, i could

Really use your melody
 Baby i'm a little blind, i think it's time for you
 To find me
 Can you be my nightingale, sing to me i know
 You're there
 You could be my sanity, bring me peace, sing me to
 Sleep
 Say you'll be my nightingale
 (D E Gbm E D E)
 I don't know what i'd do without you
 Your words are like a whisper, come through
 As long as you're with me here tonight, i'm good
 Can you be my nightingale, feel so close i know
 You're there
 Ohhhh nightingale, sing to me, i know you're
 There
 Cause baby you're my sanity, you bring me peace
 Sing me to sleep
 Say you'll be my nightingale
 (D E Gbm E D)
 (D E Gbm E)
