

# Demi Lovato - Quiet

Tom: **C**

Riff:

(Riff)  
I hear what you're not saying  
It's driving me crazy  
It's like we stopped breathing in this room  
We're both the last to believing  
I know what you're thinking  
I wish you'd make your move

Refrão:  
(Riff) **Ab**  
It's much too quiet in here  
**Am**  
I wanna disappear

**F**  
I'm hearing myself thinking too clear  
(Riff)  
**C** **Ab**  
It's too quiet in here  
**Am**  
Make it all go away

**F**  
Why can't we break the silence, finally?

(Riff) **F**  
It's like you know where I'm going  
**G** **F** **Ab**  
You follow me home but I never invite you inside  
**C** **F**  
I see what you're not showing  
**G**  
I've got you alone but

**F**  
The air is so thin it's weird

Refrão:

**G**  
Just promise you'll kiss me goodbye

One day it's over

**F**
