

Demi Lovato - Quiet

Tom: **C**

Riff:

(Riff)
I hear what you're not saying
It's driving me crazy
It's like we stopped breathing in this room
We're both the last to believing
I know what you're thinking
I wish you'd make your move

Refrão:
(Riff) **Ab**
It's much too quiet in here
Am
I wanna disappear

F
I'm hearing myself thinking too clear
(Riff)
C **Ab**
It's too quiet in here
Am
Make it all go away

F
Why can't we break the silence, finally?

(Riff) **F**
It's like you know where I'm going
G **F** **Ab**
You follow me home but I never invite you inside
C **F**
I see what you're not showing
G
I've got you alone but

F
The air is so thin it's weird
