

# Demi Lovato - Sexy Dirty Love

Tom: G

Hit me up late, always be blowing up my phone  
 I'm lying awake wondering why I'm still alone  
 Lord knows I am sinning, please forgive me for my lust  
 Sending pictures back and forth, babe, I'm craving your touch  
 You're my new obsession  
 Let go of any hesitation  
 Baby, be my new addiction  
 Intoxicate me gently with your loving  
 You got me so high  
 Pull me closer into you and watch our bodies intertwine  
 I feel so alive  
 You know what I'm thinking of  
 Got me dreamin' 'bout that sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 Now you're teasing me and I can't help but do the same  
 Whispering through your phone, now you're driving me insane  
 It's like you're getting off messing with my sanity  
 Hang up, come on over, let's play out this fantasy  
 You're my new obsession

Let go of any hesitation  
 Baby, be my new addiction  
 Intoxicate me gently with your loving  
 You got me so high  
 Pull me closer into you and watch our bodies intertwine  
 I feel so alive  
 You know what I'm thinking of  
 Got me dreamin' 'bout that sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 You're my new obsession  
 Let go of any hesitation  
 Baby, be my new addiction  
 Intoxicate me gently with your loving  
 You got me so high  
 Pull me closer into you and watch our bodies intertwine  
 I feel so alive  
 You know what I'm thinking of  
 Got me dreamin' 'bout that sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)  
 Sexy dirty love (sexy dirty love)
