

Demi Lovato - Shadow

Tom: **A**

(Verse)

D I glanced upon the **E** ground today I **A** noticed something,
D It followed me

Along the way, a figure of **E** gray,
A Impersonating **D** everymove I make

E For now we'll **A** call it my shadow,
E And it said will you **A** replace it,

D So you'll be with me **E** every where I go... **A**

(Chorus)

D **E**

Sentences of yours,

A Running throughout my head,
D

Searching for a chance to catch my breath,
A A never-ending dream,

E You'll become a part of me,
D

Day or night,
E

Dark or light you'll be, **A**
D

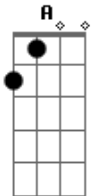

Taking over that thing called my
D

Shadow

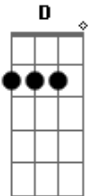

(Verse)

(Chorus)
