

Demi Lovato - Stronger

Tom: G

(intro 2x) Em Am

(verse 1)

Em The night is getting darker Am

Soon the stars will be Em

falling down to rescue us Am

Em Sing a song for me Am

Lift me higher with your words Em

Sing that cold melody Am

(refrain 1)

C Now follow me

Am Onto the moonlit sidewalk

C And take my hand

Am Grip it tighter

Cm (hold) don't let it go

(chorus 1)

Em Passions taking over skies Am

C Leaving sand behind Cm

for them to choke on Em

Em They'll try to speak Am

Negatively about us C

But they cant Cm

say another word Em

Am They'll realize

C Jealousy has taken Cm

Em over their minds

Am and their words

C try to break me down

Cm (hold) But what they only

makes us stronger

Em Am (2x)

(verse 2)

Em Did you feel that breeze? Am

A tide of chills swept over me Em

Am It must of been from the

brush of your hand

Em Am Pull me into your arms

Em A little closer baby Am

I wanna see you standing

Next to me

(refrain 2)

C So take a walk with me

Am But keep the pace down

C I don't want this night to end

Am Cm (hold) Can't we runaway together?

(chorus 2)

Em Passions taking over skies Am

C Leaving sand behind Cm

Em for them to choke on

Em They'll try to speak Am

Negatively about us C

But they cant Cm

Em say another word Am

C Passions taking over skies Cm

Em Leaving sand behind

Em for them to choke on

Em They'll try to speak Am

Negatively about us C

But they cant Cm

Em say another word Am

C They'll realize Cm

Em Jealousy has taken

Am over their minds

C and their words

C try to break me down Cm (hold)

Em But what they only Am Em Am

makes us stronger

(outro)

Em Am The night is getting darker

Em Soon the stars will be

Am (hold) falling down to rescue us
