

Demi Lovato - Substance

tom:

Bbm

Is anybody happy with life in the back seat?

Gb Db Ebm

Trying to master the art of detaching?

Gb Bbm

Is anybody driving, is anyone asking?

Db Ebm

Is anyone grasping that nothing lasts?

Gb

Woah

Bbm Dbm Ebm

I know we're all fucking exhausted

Gb

Woah

Bbm Dbm Ebm

Am I in my head or have we all lost it?

Gb

So I ask myself

Db Bbm

Am I the only one looking for substance?

Ab

Got high, it only left me lonely and loveless

(Gb F Gb F Gb G Db)

Db

Don't wanna end up in a casket, head full of maggots

Bbm

Body full of jack shit, I get an abundance

Ab

Am I the only one looking for substance?

(Gb F Gb F Gb G Db)

Bbm Fm

Am I talking to myself?

Ab Eb

Is anyone out there screaming at the walls?

Gb A

I can't relate at all, relate at all

Gb

Fuck the theatrics

Bbm

What happened to classic?

Db

Give me the real shit

Eb

Give me the magic

Gb

So I ask myself

Db Bbm

Am I the only one looking for substance?

Ab

Got high, it only left me lonely and loveless

(Gb F Gb F Gb G Db)

Gb Bbm

I don't remember last week, got my head scratching

Db Ebm

But everyone's acting like nothing is lacking

Gb Bbm

I think we might be crashing, everyone's laughing

Db Ebm

Time is just passing, yet nothing lasts

Gb

Woah
