

## Demi Lovato - Tell Me You Love Me

```
m (forma dos acordes no tom de Ebm )
Capostraste na 1º casa
           Dm
Oh no, here we go again
Fighting over what I said
I'm sorry, yeah I'm sorry
Bad at love, no, I'm not good at this
But I can't say I'm innocent
   Bb
Not hardly, but I'm sorry
And all my friends, they know and it's true
I don't know who I am without you
        Bb
I got it bad, baby
Got it bad
Oh, tell me you love me
I need someone on days like this, I do
On days like this
Oh, tell me you love me
     Αm
I need someone
On days like this, I do
On days like this
Oh, can you hear my heart say
Ooohhhh, ooh
No, you ain't nobody 'til you got somebody
You ain't nobody 'til you got somebody
And I hope I never see the day
That you move on and be happy without me
Without me
What's my hand without your heart to hold?
I don't know what I'm living for
     Bb
If I'm living without you
And all my friends, they know and it's true
I don't know who I am without you
        Bb
I got it bad, baby
Got it bad
```

```
Oh, tell me you love me
I need someone on days like this, I do
On days like this
Oh, tell me you love me
     Am
I need someone
On days like this, I do
On days like this
Oh, can you hear my heart say
Ooohhhh, ooh
                Bb
No, you ain't nobody 'til you got somebody
You ain't nobody 'til you got somebody
Dm
My heart's like
Ooooh, ooh
No, you ain't nobody 'til you got somebody
You ain't nobody 'til you got somebody
Everything I need
Is standing in front of me
I know that we will be alright, alright, yeah
Through the ups and downs
Baby, I'ma stick around
I promise we will be alright, alright
Oh, tell me you love me
I need someone on days like this, I do
On days like this
Oh, tell me you love me
     Am
I need someone
On days like this, I do
On davs like this
Oh, can you hear my heart say
Ooohhhh, ooh
No, you ain't nobody 'til you got somebody
You ain't nobody 'til you got somebody
My heart's like
Ooooh, ooh
Everything I need
Is standing in front of me
I know that we will be alright, alright, yeah
```
