

# Demi Lovato - Trainwreck

Tom: **B**  
Intro: **Abm Db Gb Db** (x2)

Verse 1:  
**Abm** **Eb** **Gb Eb**  
You fled from medication 'cause it only causes pain  
**Abm** **Eb** **Gb Eb**  
You won't go to the doctor he keeps calling you insane  
**Abm** **Eb** **Gb Eb**  
You're lost even when you're going the right way  
**Dbm**  
You mean the world to me even  
**E**  
though you might be crazy

Chorus:  
**B** **Ebm** **E**  
And you said we wouldn't make it  
**Gb** **B**  
But look how far we've come  
**Ebm** **E**  
For so long my heart was breaking  
**Gb** **Eb** **Abm**  
And now we're standing strong  
**Eb**  
The things you say you make  
**Gb** **E**  
me fall harder each day  
**Dbm**  
You're a trainwreck  
**E**  
But I wouldn't love  
**Abm**  
you if you changed!  
**Eb Gb Db**  
Yeah! Ohh yeah!

Verse 2:  
**Abm**  
I shook your hand  
**Eb** **Gb Db**  
And you pulled me right away  
**Abm**  
You asked me to dance and  
**Eb** **Gb Db**  
instead I said, "No way!"  
**Abm** **Eb**  
Inside I was dying to give it  
**Gb** **Db**

a try and you begged me so I stayed  
**Dbm**  
I knew you were  
**E**  
different from the way I caved

(Repeat chorus)

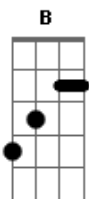

Lead Guitar Solo: **Abm Eb Gb Db**

Bridge:  
**E** **Gb**  
We are so different  
**B Gb E**  
But opposites attract  
**E** **Gb**  
I hope you know me  
**B Gb Abm**  
And that I never look back  
**Dbm**  
You're one of a kind!  
**E**  
And no one can change  
**Gb** (hold)  
this song of mine Oh!

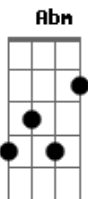

(Repeat Chorus)

Outro:  
**B** **Ebm**  
... One more thing I thought I'd shared  
**E** **Gb**  
with someone special,  
**B**  
I'm falling like  
**Ebm** **E** **Gb**  
I've never fell before  
**Abm**  
It's funny you  
**Eb**  
said we'd never  
**Gb**  
make it but look  
**Db**  
how far we've come  
**Dbm**  
You're a trainwreck  
**E** **Gb** **B** (hold)  
But with you, I'm in love
