

# Demi Lovato - Two Pieces

Tom: Bb

(com acordes na forma de G )  
 Capotraste na 3ª casa  
 There's a boy, lost his way, looking for someone to play  
 There's a girl in the window tears rolling down her face  
 We're only lost children, trying to find a friend  
 Trying to find our way back home

[Refrão]  
 We dont know where to go, so I'll just get lost again  
 We'll never fall apart, cause we fit together right, we fit together right  
 These dark clouds over me, rain down and run away  
 We'll never fall apart, cause we fit together like,  
 (Pausa)  
 two pieces of a broken heart

( G Em D )  
 I know where we could go and never feel let down again  
 We can build sandcastles, I'll be the queen, you'll be my king  
 We're only lost children, trying to find a friend  
 Trying to find our way back home

[Chorus]  
 C G C G

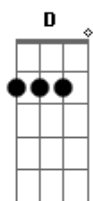

We dont know where to go, so I'll just get lost again  
 We'll never fall apart, cause we fit together right, we fit together right  
 These dark clouds over me, rain down and run away  
 We'll never fall apart, cause we fit together like,  
 two pieces of a broken (heart)

[Ponte]  
 And I like to lay my head down and fall asleeeeeeep  
 Oh, but I don't have to fall asleep to see my dreams,  
 Cause right there in front of me (right in front of me)  
 There's a boy, lost his way, looking for someone to play

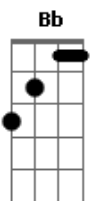

[Refrão]  
 We dont know where to go, so I'll just get lost again  
 We'll never fall apart, cause we fit together right, we fit together right  
 These dark clouds over me, rain down and run away  
 We'll never fall apart, cause we fit together like,  
 (Pausa)  
 We fit together like, two pieces of a broken heart  
 ( G Em D )

G G Em D G  
 There's a boy, lost his way, looking for someone to play
