

Demi Lovato - U Got Nothin' On Me

Tom: G

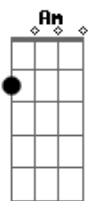

G
Summer came and took me by surprise
The California sunshine in my eyes Am
Driving with the top down G
we sing along D
to our favorite song G
nothing could go wrong D
laughing as we gazed under the moon G
you kissed me and it never felt too soon Am
Hard to believe that anything D
could tear us apart G
I wont let you break my heart D
Now I know who you are C G D
(YOU GOT NOTHIN ON ME)
I see I should have known it from the start C G D
(YOU GOT NOTHIN ON ME)
You cant tell me lies dont even try C G Cm G
Cause this is goodbye
G
Caught you from the corner of my eye Am
You smiled at a girl while passing by Am
Thought you had me fooled but you were wrong D
I know whats going on D
and it didn't take me long
G
It wasn't hard to read between the lines Am

The necklace in your car that wasn't mine Am G D
Nothing left for you to do or say D G
Now im on my way D
Now it's too late
Now I know who you are C G D
(YOU GOT NOTHIN ON ME)
I see I should have known it from the start C G D
(YOU GOT NOTHIN ON ME)
You cant tell me lies dont even try C G Cm G
Cause this is goodbye
Em
To broken promises
time to face you're getting this G D
Em
Don't bore me with apologies
And come crawling back on your knees G D
you got nothin on me Am
YOU GOT NOTHIN ON ME C D
I know who you are C G D
Now i see i should have known it from the start C G D
You cant tell me lies, dont even try C G Cm G
Cause this is goodbye
Now I know who you are C G D
