

# Demi Lovato - Waitin For You (feat. Sirah)

Tom: **Bb**

**Gm** **Eb**  
You said that you'd never hurt me, be the band-aid when I bleed.  
**Gm** **Eb**  
But I guess that that band-aid was all made of paper, 'cause you never stuck to me.  
**Gm** **Eb** **Gm**  
And you say that you conquered the lion without even tryin' but she only gets stronger,  
**Eb**  
she only bites harder and I only die fighting.

Pre-chorus:

**Bb** **Bb7** **Bb** **Bb** **Eb**  
You can run, you can run, but you know that I know just what you've done.  
**Bb** **Bb7** **Bb** **Bb** **D**  
You can run, you can run, but save those words for one on one.

Chorus:

**Gm** **Eb**  
So when the lights go down and the sun hits ground,  
**Eb**  
you should know that I won't back down, I'll be waitin' for you.  
**Gm**  
Knuckles out and the guard in my mouth,  
**Eb**  
when you're hungry for the next round, I'll be waitin' for you.  
**Gm** **Eb**  
Oh-oh, oh-oh-ooh, I'll be waitin' for you.  
**Gm** **Eb**  
Oh-oh, oh-oh-ooh, I'll be waitin' for you.  
**Gm** **Cm** **D**  
Oh-oh, oh-oh-ooh, mmm.

Verse 2:

**Gm** **Eb**  
Yeah, don't take things too personal, but you made shit personal.

Talkin' 'bout my bad habits man, fuck my bad habits. Don't act like you got none.
